01. Sleepy Tired

I feel tired,
and I want to go to bed.
Sleep sleep sleep.
I want to go to sleep,
because I'm tired.
Yeah.
Sleep sleep sleep sleep
sleep sleep sleep sleep.
Woo.

02. Groceries

I want to go to the store.
I need to buy things and more.
I don't know what I will buy.
I just want to skin my eye.
I love the grocery store.
I love the grocery store.
And I think I'll buy
things there all the time.
I am going there right now.
I will buy some meat and a cow.
If they sell them there,
which they might,
and I don't care.
No, I don't care at the grocery store.
I am going there,
I'm out the door.

03. Don't Carry a Cat

Carrying a cat to the vet
wasn't so cool,
and you said nevermind,
I'll let my cat just die out here.
That's what happens when you
don't take your cat to the vet.
You weren't carrying it.
You left it there to die.
You are a lazy person and you
make cats want to leave this earth
and its wretchedness because
you don't want to
carry a cat to the vet.
You left it sitting there.

04. Wrong Number

I called you,
but the number didn't go through.
I wanted to know,
If you'd want to see a show.
But I got the wrong number, baby.
Maybe you confused the eight for a three.
Wrong number, it's a wrong number.
It bums me out, cause I wanted to call you.
Wrong number, yeah, it's the wrong number.
And it bums me out cause I wanted to call you.
Yeah, call you, but it's a wrong number.
It's kinda a bummer.

05. Grimlock

Grimlock is a thing. It lives in the sea.
Well, it's not really a sea,
but more of a big swampy dragon cave.
But not a dragon. Cause he's Grimlock.
And he eats ancient Norse warriors.
Grimlock, why are you so bad?
You don't know, no you don't.
Cause you're just Grimlock.
Some guy went to kill you.
And you were like, "No, don't kill me man."
And he's like, "I'm gonna kill you."
And he took his sword,
and he was gonna stab you.
And you're like, "No, please don't."
And he was like, "Oh, oh, okay, okay fine."
And so Grimlock goes on,
and he keeps on fighting his battles,
cause he's so strong.
Like I said, he's a dragon,
but he's not really a dragon.
Cause his name is Grimlock.
And he keeps on flying, cause he's Grimlock.
Yeah, American hero number one.
Grimlock. Go Grimlock.

06. Tornado

If a tornado blows you away,
I will wait today.
I will always wait for you,
my tornado beauty.
Unless the tornado
doesn't bring you home.
I'll probably find a new girl.

07. One More Day

Dangerous water
left me here.
I will wait one more day,
but you row, row away.
Write about me,
lost at sea.
I will wait one more day,
but you row, row away.
Away.
